

713 The Mother Who Did Not Bear Me but Nourished Me.

(Including the previous Type 717*.)

A stepdaughter is falsely accused of bearing her sister's illegitimate child [K2112] and she and the child are expelled [S410]. Wherever they go, famine ceases and magic abundance comes [D1652.1, D2081]. But famine comes to places they have left [D2157.1]. Later the truth is revealed by the child's behavior [H51.11, cf. H481.1].
